

Remarks/Comments

Applicant respectfully requests entry of this Preliminary Amendment prior to the examination on the merits of the application.

Applicant has amended the specification to state that the current application is a continuation in part application to parent case U.S. Application Serial No. 09/755,882 filed on January 5, 2001. Applicant has also amended the specification to more specifically define the present invention.

Applicant submits that Claims 1-33 are currently pending for examination and respectfully requests favorable consideration.

Applicant has also enclosed a Request for a Four (4) Month Extension of Time to file the current Continuation In Part Application to parent case U.S. Application Serial No. 09/755,822 due on November 13, 2003.

Accordingly, this case is believed to be in all respects in condition for examination on the merits, and such examination and favorable consideration are respectfully and earnestly solicited.

Respectfully submitted,

Justin K. Holmes
